

LED ModeMT-400W

- Balanced Spectrum For Full-Cycle Growing
- Low Energy Use & Virtually No Heat Output
- Increased Yield & Crop Quality
- Simple Plug-and-Play Set-Up & Use
- Passive Cooling Allows For No Fans - Less Moving Parts Means More Longevity
- Perfect For Keeping Your Favorite Mother Plants/Strains Available

SPECIFICATIONS	Mid Version	Basic Version
Power	400W	
PPF($\mu\text{mol/S}$)	1000	840
Efficacy($\mu\text{mol/J}$)	2.5	2.1
Input Voltage	Autosensing 100-277V	
Mounting Height	$\geq 6"$ (15cm) Above Canopy	
Thermal Management	Passive	
Lifetime	50,000hrs	
Power Factor	$> 90\%$	
Colour Rendering Index	90ra	
Ambient Temperature	-40 - 40°C	
Storage Environment	-40 - 85°C	RH10%-95%
Chip	samsung Philips Osram	
Fixture Dimensions	585*360*68MM	
Fixture Weight	6.5kg
